MICROTECH

As the flagship model of the Microtech OTF lineup, the Ultratech sets the standard for Out The Front technology. Proprietary design allows the firing spring to be at rest in both the open and closed positions, drastically reducing wear on the internal firing mechanisms. The contoured chassis handle provides a light and ergonomic feel and comes in a smooth, flat finish.

- Overall Length: 8.50"
- Blade Length: 3.44"
- Closed Length: 5.06"
